

Hitchin Band Patrons Scheme

Interested in becoming a Patron of Hitchin Band?

The aim of our Patrons Scheme is both to raise funds for Hitchin Band and to keep our Patrons informed of band activities. Our Patrons play a vital role in the Band's life, not only for their financial support but also in terms of raising the profile of, and spreading the word about, Hitchin Band.

In return, we offer a unique relationship with the Band and a closer insight into how we work.

Becoming a Patron couldn't be simpler:

One year's membership costs just £10.00 for an individual and only £15.00 for the whole family.

As a Patron of the Band you will:

- Receive a quarterly newsletter about the band
- Receive information about our concerts and special events
- Be entitled to discounts on tickets for our self-promoted concerts
 - 2 Discounted tickets for Individual Membership
 - 4 Discounted tickets for Family Membership
- A special mention in our concert programmes and on the band web site
